LOVE NOTES! Yes, you may include a love note (that we will read to them) with your donation. They will be thrilled and honored that you took the time to send them your love. You could even include a photo of yourself if you'd like—that would be fun!

PLEASE NOTE: The donated items do not need to be new in package. We encourage you to go through your own stash of crafting and sewing materials and donate items you may not need as long as they are in good condition.

Please ship all items to:
