

HAITI BY HAND

HOW TO DONATE AN ITEM TO OUR ETSY SHOP:

***Take 2-5 photos of your item and email them to haitibyhand@att.net (PLEASE NOTE: If you have your own Etsy shop, you may give us permission to 'borrow' your photos and description straight from your Etsy site. This way you won't have to email us the photo files. Instead, just email us the link to the page of the item(s) you would like to donate.

***Write a description for your item(s), including a listing price. We will use your exact words when listing the item(s) in our Etsy shop. Be sure to include your blog and/or etsy site info too so shoppers will know where to buy more of your work.

***You will be the one to ship the item directly to the buyer (instead of shipping to us, and us to them) so please consider this when donating. If you are willing to ship internationally just let us know.

***When your item sells, we will notify you of the buyer's mailing address. We ask that you ship your item to the buyer within 3 days of being notified and let us know when you do.

***the item is still yours until it sells in the HBH shop. If, for any reason, you want to reclaim it just let us know and we'll unlist it in our shop, no problem.

*** Just to confirm...*Every dollar* of the purchase price will be donated to the relief and rebuilding efforts of Haiti By Hand in Despinos, Haiti. No money will be kept here with us for any sort of administrative or other purposes.

THANK YOU FOR HELPING US HELP HAITI!
